November 2019

Dear Fellow Congregants:

We hope you are enjoying this time of Thanksgiving with your family and friends.

At East End Temple we have a lot to be grateful for – and we are making plans to launch the **EET Legacy Circle** in the new year. It is thanks to the foresight and generosity of those who came before us that EET has entered its eighth decade with strength and vibrancy. We are grateful to them for establishing a spiritual home that cultivates relevant Jewish life through connected community. Now it is our turn to make certain our tradition continues for generations and that EET continues to be a beacon for downtown Jewish life.

The **EET Legacy Circle** will bring together members like you and us, who are eager to help ensure our Jewish community's future for generations to come by naming East End Temple as a beneficiary in their estate plans. Planned gifts of all sizes can play a significant role in sustaining our Temple. If you have already included EET in your estate plans, as we each have, please email Judith or simply send the enclosed form back to the Temple office. We'd like to hear from you by December 31, so we can thank you properly and welcome you as a founding member of our **EET Legacy Circle**.

And if you are thinking about including EET in your estate plans, we would love to talk further with you. Please feel free to contact either of us or Rabbi Josh Stanton (JStanton@eastendtemple.org) for a confidential discussion. We are truly grateful for your consideration.

From time to time, the **EET Legacy Circle** will be holding informal events for its members and those who may be interested in joining. Our plan is to educate and inspire, and to acknowledge our fellow members who have included East End Temple in their long-range plans. We hope to see you at these events.
